

GROHE RAINSHOWER® NATURAL COLOURS COLLECTION

The Natural Colours Collection is the new edition of the award-winning GROHE Rainshower® Icon. From Sheer Marble to Misty Slate, we have carefully selected a palette of six natural colours, which complements popular architectural materials and will help to coordinate the aesthetic concept of the bathroom.

Rain spray
Wide and luxurious – a soft, delicate pattern to soothe the skin. Mimicking warm summer rain, the spray provides a full and even coverage.

Smart Rain spray
All the features and benefits of our authentic Rain spray but with a reduced flow. A smart pattern that uses less water to deliver full showering enjoyment.

GROHE RAINSHOWER® WATERCOLOURS COLLECTION

Offered in a mouthwatering palette of six colours, the 145 mm diameter GROHE Rainshower® WaterColours hand shower is an easy and quick way to renovate a bathroom. The GROHE Rainshower® WaterColours Collection takes the award-winning halo-shaped design of Rainshower® Icon to the next level. Precise engineering of the shower jets and GROHE DreamSpray® technology ensure the central water jets converge to create a full spray – for perfect delivery of the Rain spray pattern. The EcoButton on the shower handle enables effortless, fingertip water saving whenever you need it. Simply slide the button and reduce the water used by up to 40%.
